Superman has a secret home.
It is his Fortress of Solitude.

The fortress is in the icy Arctic.

Superman brings Lois there.

“What are those statues?”

Lois asks.

“Those are my parents,”
says Superman.

“Here, take a look.”

Superman gives Lois a crystal.

“This crystal shows life on my home planet,” he says.

“What else do you keep here?”

asks Lois.

“Kryptonite,” says Superman.

“It is a piece of my home planet
that can hurt me.”

"I miss my planet," says Superman.

"But Earth is my home now!"
